
CPMA – New testing container

INFORMATION BULLETIN No. 38

March 28, 2017 – On March 24, 2017, the Canadian Pari-Mutuel Agency (CPMA) released a Memorandum to the Canadian horse racing industry.

“Beginning May 1, 2017, the Canadian Pari-Mutuel Agency (CPMA) will be using a new urine collection container for the CPMA equine drug control program.”

A copy of this CPMA memo is attached to this bulletin.

The AGCO issues this Information Bulletin as a service. AGCO licensees are expected to know the Rules of Racing, closely review all memos from the CPMA, and keep up to date on the Schedule of Prohibited Drugs.
