I Product Sampling to Patrons of a Liquor Retail Store

Liquor retail stores owned and operated by liquor manufacturers (licensed under the Liquor Licence Act) and Brewers Retail Inc. (the “BRI”) which have been authorized by the Registrar (the “Registrar established under section 6 of the Alcohol, Cannabis and Gaming Regulation and Public Protection Act”) may offer samples of its products to its patrons if the following conditions are met:

1. Samplings are conducted only during permissible hours of operation prescribed by the Registrar.

2. Samples are provided and consumed only within the retail store. Sampling is not permitted at winery kiosk stores.

3. Only products which are eligible to be sold in that store are offered as samples.

4. Samples are not offered or served to any person who is under nineteen (19) years of age.

5. Samples are not offered or served to any person who is or appears to be intoxicated.

6. Staff members at a liquor retail store owned and operated by a liquor manufacturer (licensed under the Liquor Licence Act) offering samples are at least eighteen (18) years of age and hold Smart Serve certification.

7. Retail store customers are not permitted to remove samples from the retail store premises.

8. Spittoons or similar containers are provided at all samplings.

9. Any fee charged for a sample is calculated on a cost recovery basis.

10. Any marketing method used to support a sampling adheres to Section 5 of Ontario Regulation 720/90 as amended, and the AGCO’s Advertising Guidelines: Liquor Sales Licensees and Manufacturers.
II  Product Sampling by a Manufacturer to Patrons in a Licensed Establishment

A manufacturer or its representative may purchase an individual serving of liquor from the holder of a liquor sales licence for a patron to sample the manufacturer’s product on the licensed premises if the following conditions are met:

1. The sample is purchased from the liquor sales licensee at the full menu price and where the manufacturer purchases samples from the liquor sales licensee which are one half the size of servings listed on the menu, or less, the price must be reduced by no more than one half the menu price for the full serving.

2. The sample is served to the patron by the liquor sales licensee or its staff who will be responsible to ensure that all aspects of the Liquor Licence Act, the regulations and the Registrar’s Advertising Guidelines are adhered to.

3. Samples are only offered by a person who is at least eighteen (18) years of age and holds Smart Serve certification.

4. The liquor sales licensee in the presence of the manufacturer or its representative must provide the individual serving of liquor to the patron on a one-to-one basis.

5. The manufacturer or its representative may not purchase a round for the house.

6. The manufacturer or its representative may not pay the liquor sales licensee or its staff to purchase or sample drink(s) for patrons.

7. The manufacturer or its representatives are required to engage in conversation with the patron(s) regarding the manufacturer and/or the product being sampled.
III Product Sampling by a Manufacturer to the Holder of a Liquor Sales Licence

Off Premise Sampling:

A manufacturer may give liquor to a liquor sales licensee where the purpose of the gift is to have the liquor sales licensee or its employees sample a liquor product.

If the gift of liquor is to be provided to the liquor sales licence holder or their employees in sealed containers for their personal sampling outside the licensed premises, the following conditions must be met:

1. The liquor must not be taken onto or kept in the licensed premises.
2. The liquor sales licensee must not have stocked the brand in the last twelve (12) months.
3. The sample is for consumption by the licensee or staff and not for sampling or resale to patrons.
4. The sample size (for any individual brand) does not exceed an annual (calendar year) total of:
   - 48 (355ml) bottles of beer or cooler, or equivalent
   - 10 (750ml) bottles of wine, or equivalent
   - 3 (750ml) bottles of spirits, or equivalent
5. Samples are provided only by manufacturer’s representatives who are at least eighteen (18) years of age and hold Smart Serve certification.
6. Records of the sampling activities are maintained by the manufacturer for a minimum of one (1) year and are, when requested, made available for review to the Registrar or staff designated by the Registrar, and, when requested, prior notice of sampling activities are provided to the Registrar.

On Premise Sampling:

A manufacturer of liquor, a manufacturer’s representative or the Liquor Control Board of Ontario (LCBO) may bring liquor onto the premises of a liquor sales licensee
for the purposes of having the liquor sales licensee or its employees sample liquor products provided the following conditions are met:

1. The sampling is conducted in the presence of the manufacturer, representative or LCBO employee.

2. That any sampled liquor remaining at the conclusion of the sampling is immediately removed from the licensed premises by the manufacturer, representative or LCBO employee.

3. That if sampling is conducted by a manufacturer or its licensed manufacturer’s representative, that person is at least eighteen (18) years of age and has Smart Serve certification.
IV  Product Sampling by a Manufacturer to Individuals

A manufacturer may give liquor to an individual, where the purpose of the gift is to have the individual sample liquor if the following conditions are met:

1. The sample is distributed by the manufacturer or its representatives to the individual in person. Voucher/coupon samples for liquor may not be given to individuals through direct mailings or any other indirect method.

2. The size of the samples for any one individual does not exceed:
   - 6 (355ml) bottles of beer or cooler, or equivalent
   - 1 (750ml) bottle of wine, or equivalent
   - 1 (375ml) bottle of spirits, or equivalent

3. Samples are offered or served only by a person who is at least eighteen (18) years of age and holds Smart Serve certification.

4. A coupon/voucher provided for a sample of liquor may be redeemed only at an LCBO store, an authorized manufacturer’s retail store, or a Brewers Retail Inc. store.

5. The sample may not be awarded as a prize.
V  Product Sampling under Industry Promotional Special Occasion Permit

Sampling only is permitted at Industry Promotional Events.

1. Sampling must be supervised by AGCO licensed representatives of manufacturers, manufacturer’s employees or event organizers acting on behalf of either. An event organizer may be required to produce documentation supporting this relationship.

2. Sample sizes are determined by those providing the samples. A “sample” is generally defined as a small part or quantity intended to show what the whole is like; a small amount of a food, alcohol or other commodity.

3. There can be no intent to profit from sale of alcohol at the event.

4. Samples are offered or served only by a person who is at least eighteen (18) years of age and holds Smart Serve certification.
VI  Product Sampling from an Occasional Extension of a Winery Retail Store within a Farmers’ Market

A manufacturer of VQA wine, fruit wine, honey wine and/or maple wine (as defined in Ontario Regulation 720) made under the Liquor Licence Act (eligible wine) that has received an authorization from the Registrar to sell its eligible wine at an occasional extension of its on-site winery retail store within a Farmers’ Market (occasional extension) may offer samples of its eligible wine to patrons if the following conditions are met:

1. Samples are provided only at the occasional extension.
2. Samples are consumed only at the occasional extension.
3. Samples are provided only during the hours of operation of the Farmers’ Market.
4. Samples are not offered or served to any person who is under nineteen (19) years of age.
5. Samples are not offered or served to any person who is or appears to be intoxicated.
6. Staff members offering samples are at least eighteen (18) years of age and have received Smart Serve certification.
7. Any fee charged for a sample is calculated on a cost recovery basis.
8. Any marketing method used to support sampling adheres to Section 5 of Regulation 720 and the AGCO’s Advertising Guidelines: Liquor Sales Licensees and Manufacturers.

“VQA wine” has the same meaning as “Vintners Quality Alliance wine” (VQA wine) in section 2 of the Vintners Quality Alliance Act, 1999.

“Fruit wine” means Ontario wine that,
   a) is produced from fruit grown in Ontario, other than grapes, and;
   b) is not produced using any combination of the concentrated juice of apples grown outside of Ontario.

“Honey wine” means a wine described in clause (b) of the definition of “Ontario wine” in subsection 1(1) of the Liquor Licence Act (LLA).

“Maple wine” means Ontario wine that is produced by the alcoholic fermentation of Ontario maple syrup or another Ontario maple product.
VII  Product Sampling to Patrons of a Grocery Store

A grocery store that has received a Beer and Cider or Beer and Wine Authorization may offer samples of beer, wine and/or cider (as applicable) to its patrons if the following conditions are met:

This section applies to both liquor manufacturers’ representatives and designated staff of the authorized grocery store.

1. Samplings are conducted only during permissible hours of operation prescribed by the Registrar.

2. Samples are provided and consumed only within a designated area. This sampling area must be adjacent to the beer, wine and cider display area within the grocery store.

3. Only products which are eligible to be sold in that authorized store may be offered as samples.

4. Samples are not offered or served to any person who is under nineteen (19) years of age.

5. Samples are not offered or served to any person who is or appears to be intoxicated.

6. Samples are offered or served only by persons who are at least eighteen (18) years of age and have Smart Serve certification.

7. All products used for the sampling must be purchased from the authorized grocery store. Grocers must retain all receipts of beer, wine and cider purchased for sampling. These records must be provided to the AGCO on request.

8. Any fee charged for a sample is calculated on a cost recovery basis.

9. Product used for sampling, including any beer, wine or cider remaining at the conclusion of the sampling, must not be removed from the premises.

10. Any marketing method used to support sampling adheres to Ontario Regulation 232/16, 720 and the AGCO’s Advertising Guidelines: Sale of Beer, Wine and Cider in Grocery Stores.
VIII  Product Sampling to Patrons of a Wine Boutique in a Grocery Store

A winery that has received an Authorization (under the Liquor Control Act) from the Registrar to sell wine in a wine boutique may offer samples of wine to its patrons if the following conditions are met:

This section applies to both liquor manufacturers’ representatives and designated staff of the wine boutique.

1. Samplings are conducted only during permissible hours of operation prescribed by the Registrar.

2. Samples are provided and consumed only within a designated area. This sampling area must be in or adjacent to the wine boutique area within the grocery store.

3. Only products which are eligible to be sold in that authorized store may be offered as samples.

4. Samples are not offered or served to any person who is under nineteen (19) years of age.

5. Samples are not offered or served to any person who is or appears to be intoxicated.

6. Samples are offered or served only by persons who are at least eighteen (18) years of age and have Smart Serve certification.

7. All products used for the sampling must be purchased from the authorized wine boutique. Wineries must retain all receipts of wine purchased for sampling. These records must be provided to the AGCO on request.

8. Any fee charged for a sample is calculated on a cost recovery basis.

9. Product used for sampling, including any wine remaining at the conclusion of the sampling, must not be removed from the premises.

10. Any marketing method used to support sampling adheres to Ontario Regulation 232/16, 720 and the AGCO’s Advertising Guidelines: Sale of Beer, Wine and Cider in Grocery Stores.
