# Regulatory Reporting Requirements – Cannabis

Version 1.8  
July 2024

# Foreword

The purpose of this document is to list the minimum obligations of Cannabis Licensees (Licensees) to notify the Alcohol and Gaming Commission of Ontario (AGCO).

These notification requirements may not be comprehensive and do not supersede the Registrar's Standards for Cannabis Retail Stores, *Cannabis Control Act* or *Cannabis Licence Act*.

Additionally, in accordance with the Registrar's Standards for Cannabis Retail Stores, Standard 1.6, Licensees must notify the Registrar in accordance with the **Notification Requirements**.

The minimum notification obligations listed herein are not intended to negate ongoing, open and transparent communication between Cannabis Retailers and the AGCO. In instances where reporting is not mandatory, Licensees must use sound judgment and discretion to determine circumstances requiring notification.

Incident notifications provided by the Licensee, under this document, shall, within the stated timeframe or a reasonable timeframe for items 7 and 8, include the following information at a minimum:

- a) Date, time and location of incident
- b) Description of incident
- c) Reference applicable section from the Requirements document
- d) Contact information of who we should contact
- e) Any actions taken to correct the cause of non-compliance and prevent similar incidents from occurring in the future.
