Backstretch:

08:45 – Jockey Agent Neil Wilson attended on behalf of his rider Jerome Lermyte to accept his three day riding suspension. The days of suspension shall be June 10, 13 and 15, 2018.

10:40 – Official Outrider Rob Love attended to relay the horse “Saran is Awsome” trained by Anthony Pottinger is an unwilling participant. Has had several incidents on the track with the horse and it does not want to train. Relayed the horse should not be on the grounds and asked that we speak with Mr. Pottinger.

10:50 – Jockey Brandon Duchaine is off his mounts today

12:30 – Received a call from the race office that Jockey Skye Chernetz does not have an agent to represent her and it has been an issue for race draws. Needs to take care of her business as she sometimes is named on two horses and she is not present to advise of her choice, holds up the Draw. Spoke with Skye and advised she needs to take care of this for the future or she may end up on horses she doesn't want to ride. Advised she also needs her medical and eye examination submitted before July 1, 2018.

Film Reviews:

Yesterdays' first race involving Rafael Hernandez, Luis Contreras and David Moran for interference at the top of the stretch. Rafael said they had the extra gate parked in the Quarter mile shoot on the main track and he saw it and ducked away. It cost him the race because the horse came off the bit and we lost momentum. Luis said he ducked out in front of him and caused him to check his horse. David said the same, one of those things, his horse ducked and we were in the way. After review we decided it was not the fault of Rafael and he did do his best to correct the issue quickly. No action taken.
