Film Reviews:

Jerome Lermyte – urging violation in the Bison City Stakes – We reviewed the head on and the lower pan in slow motion numerous times and it is very difficult to discern when there is contact with the crop and when there is a flag. It is clear Mr. Lermyte has a certain style that in regular speed looks to be in contravention of the rule, however, when reduced to slow motion, half of the swings do not connect. Mr. Lermyte is adamant he has a different action when he strikes and when he flags. The video is inconclusive.
