**Report on day's Events:** (Backstretch - accidents, fines, suspensions, objections, disqualifications, refunds, pertinent incidents, general details etc., Film Reviews, Races, Claims)

### Backstretch:

08:45 - Kelly Regan attended to take the Agents Test. Kelly has not been licensed since 2006 and is looking to take book for Jerome Lermyte.

09:35 – Received a call from a Dr. Renee Nodine from Penn National to enquire about the process to collect money owed from an Owner racing here in Ontario. Advised we would speak to the person on her behalf and advise her of the response. Failing that, she should secure a judgement and forward the document to us.

10:15 – Trainer Francine Villeneuve attended to speak to the policy of no blinker changes off a win. She asked if the answer would be different going into an added money event (Stakes Race). We advised we would take it into consideration, however, in an effort to stay consistent, we would not allow the change unless it is a safety concern. Going forward it is worth a conversation.
