### Backstretch:

### Film Reviews:

Review of yesterday's My Dear Stakes involving Rafael Hernandez, Luis Contreras and Alan Garcia. Luis said Rafael's mount came out to him and bumped him hard, said his horse was full of run and feels it probably cost him the win. Alan Garcia said his horse was running green with him but didn't feel he caused the incident. Rafael explained that while he agreed with the decision to disqualify his mount, he did not cause the interference intentionally. Said when he decided to pull out behind the two leaders and Alan's horse made a step out at the same time, his two year filly shied and went out further than expected. I only beat him a neck. After discussion we chose not to take any action against Rafael.

### Races:

Race 1 – Clear

Race 2 – Review of the stretch run regarding #2 "Mystic Nile" ridden by Rafael Hernandez and #5 "Killag Katie" ridden by Eurico Da Silva. Eurico said he was fine, could have stayed inside but felt Rafael's horse might be getting in with him. Rafael said he knew Eurico was there and was just trying to keep straight. Thought I was clear. No action taken.

Race 3 – Clear

Race 4 - #5 “Shaunessy” ridden by Alan Garcia was unruly in the gate and subsequently a Veterinarian Scratch. #3 “Piazza Time” with David Moran was away slow.

Race 5 – Clear

Race 6 – Incident going into the turn with #1 Einstein’s Baby” ridden by Simon Husbands. He was inside of #2 “Mahone Bay” with Patrick Husbands aboard and steadied going into the far turn. Patrick finished behind Simon so there was no Inquiry and after viewing the Apex shot it was apparent that Simon’s horse did not negotiate the turn well and always had room inside. Spoke with Simon who said his horse was lugging out, had plenty of room and there was no pressure on him going into the turn. No action taken.
