Office:

10:05 – Exercise rider Adam Stapley attended to speak to a report that he continues to use racial comments towards another licensee despite a previous warning. Adam said that since we spoke to him the last time he has not used racial slurs towards Mr. Stimpson. We advised that a report was made to security from another source who complained about his comments and improper remarks towards Mr. Stimpson after we had warned him. Mr. Stapley was issued a monetary penalty of \$200 and advised any future incidents similar in nature would be dealt with more severely.

11:10 – Owner/Trainer Michael McDonald attended re: training horses without a valid 2019 AGCO Trainers license. Mike said the horses have been in since the first week of May and got his Owners license but not his Trainers portion as the WSIB clearance came in after. Monetary penalty of \$200

Race 3 – Stewards Inquiry and Jockey Claim of Foul (COF) by Corey Jordan aboard #5 "Kyslios's Justice" against #3 "Just Run With It" ridden by Devon Johnson for interference during the stretch run. Corey said he was making a run when the #3 horse came out and took his path, had to check. Devon said his horse was drifting with him but didn't think he bothered anyone. We also spoke with Kazushi Kumura who was aboard #6 "Wincredible Star" and on the outside. He said the #3 came out along way and into him but there was a horse in between who was stopped.
