### Office:

Extreme heat standards in place, tier 1 for today. Heat values are to be in the mid-30 range. All submitted scratches relating to heat will be accepted without AGCO penalty.

There were a total of 17 heat scratches in the morning hours and three more during the races.

Course Marshall Rob Love informed us that an exercise person for trainer Lenore DuBois entered the main track this morning without permission. Horses working from the gate out of the ¾ chute were permitted, this horse crossed the chute and galloped a 1 mile and 1/2 Will look into it.

### Film Reviews:

Race 5 July 17/19 David Moran, Emma Wilson and Luis Contreras. Irwin Driedger as rep. Mr. Moran explained that his horse, #4, was very tough to keep back early, the trainer instructed him to try and keep off the pace. The horse was rank and as he angled out to avoid #5's heels and under a hold, he bumped E. Wilson #6 and in turn her horse bumped #7, L. Contreras. #4 was 1<sup>st</sup> placed 4<sup>th</sup>.

In assessing penalty, the Stewards look to the error of Jockey or horse, in this case it was a little

of both. We accepted his explanation and issued no penalty to Mr. Moran
