### Office:

Trainer Tony Gattellaro submitted a heat scratch for #5 Muchokova in the 4<sup>th</sup> race today. The extreme heat values were not an issue and the Directive speaks to temperatures starting at 31o Celsius. Today was a high of 27o. He explained he submitted the scratch because his horse had not handled the heat in training the last couple of days and felt that the horse shouldn't run. We accepted his explanation and allowed a Stewards scratch for the horse.

Following the 4th race, we received a call from the Clerk of Scales, Alison Read, couple of riders had words in the jockey quarters. Will review.
