Office:

Trainer Lenore DuBois, had a horse enter the track during a 3/4 chute gate training session, with no intention of working from the gate. There is information that the communication between the exercise person and the Officials of the course that day, may have been strained and that the exercise person was given direction to enter the track.

Hot Walker Shad Belle, exercising horses without a valid AGCO exercise person license. Issued a monetary penalty of \$200.00. Licensed accordingly

Head Clocker Ernie Piri and Race Secretary Scott Lane attended to inform us that trainer Sylvain Pion had English Illusion attend the training track turf to breeze without having first obtained the proper authorization. Will speak with him.

Kevin Attard submitted a heat scratch for the horse Blessed Truly slated to compete in today's 5th race. The extreme heat standard was not enforced today as values were forecasted to be slightly below the directive. After due consideration the horse was allowed to be a Steward heat scratch.
