11:15 – General Manager Emilio Trotta attended to relay the water truck has broken down and they have an outside company to water but only until noon. They have been able to have another company attend but not until 1:30 pm. We intend to run the first race then delay until the water truck arrives. It is very hot and humid and without the water, the track will go to powder and not fit to race on.

Race 1 – Clear

Race 2 – Clear

Informed by management prior to race three that a water truck has arrived on the grounds and there will be a five minute delay prior to the fourth race in order to allow the truck time water the entire surface.

Race 3 – Clear

Race 4 - #5 “Eye Am the Eagle” ridden by Ramiro Castillo broke in the air.

Race 5 - #5 “Day Rate” with Max Badal was away very slow.

Race 6 – Stewards Inquiry into the start involving #4 “Cole Miner” ridden by Tony Phillips. Doors opened, Assistant Starter released and the horse refused to leave. Starter Steve Curtis said everything was done proper, horse refused. Tony said the horse was handled too much prior to the start and got confused, usually leaves real good. After review it was deemed the horse received a fair start and no change was made to the order of finish.
