Jeffery Alderson excused from his mount today.

Review with CTI Meghan McGirr and Jennifer Wood. Re: Miss Tea Blonde missed lasix administration on August 18, 2019, 5th race. It was determined that Jennifer is new with the processes and a miss communication regarding horses drawing in off the also eligible list. Recommended that the scratches to be repeated to ensure clarification and that a recording device be added to the test barn when they are not there to receive scratches and to call the Stewards office anytime when unsure of horses being declared in or out.
