Report on day's Events: (Backstretch - accidents, fines, suspensions, objections, disqualifications, refunds, pertinent incidents, general details etc., Film Reviews, Races, Claims)

Office:

09:15 - Owner Phillip Budhoo attended for an explanation on yesterdays' eighth race and the disqualification of his horse "Itstartswithadrink". He said he did review the video footage on the Senior Report and did not dispute our explanation. However, he was concerned that because he felt it was the riders' fault that he shouldn't lose the purse money. We advised that horse and rider are a team and it is unfortunate but he does lose his placing.

Film Reviews:

Yesterdays' eighth race to be reviewed with the riders on Wednesday as two of the participants ride in Fort Erie today.

Races:

Race 1 – Clear

Race 2 – Clear

Race 3 – The Bull Page Stakes – Trainer Jamie Attard called after the race, did not claim foul but asked us to have a look at the start, felt the #3 “Rockcrest” ridden by Sahin Civaci may have interfered with his horse #4 “Red Fiction” ridden by Rafael Hernandez. We did review the start and #3 does step out first jump at the same time the #4 stepped in, it was deemed a fair start for all.

Race 10 – Claim of Foul by Jockey Leo Salles aboard #5 “Gasconade” against the winner #4 “Bay of Rum” ridden by Gary Boulanger for interference through the stretch. Gary said his horse was getting in with him so he hit him left handed and he went out, didn’t think I bothered anyone. Leo said Gary came out on him in late stretch, had to check. After review we determined that Gary’s horse does go out but is clear at the time. The Claim of Foul was disallowed.
