Film Reviews:

Review of the last race Wednesday September 25, involving Kazushi Kimura, Gary Boulanger, Leo Salles and Justin Stein. Kazushi said his horse was getting out with him and looked to his outside before moving out, his horse changed leads and that didn't help. I wouldn't mean to bother anyone. Gary said he was yelling at Kazushi around the turn to let him know I was outside him, my horse went to running turning for home and Kazushi came out abruptly on me, had to check and move out and got Leo Salles in the process. Leo said it happened so fast, Gary was in front of me and I went out into Justin. Justin said he got it pretty good and new Leo had been

forced out but not sure who got him. Kazushi was levied a three day suspension, days to be determined.
