### Office:

Call from Trainer Shane Meyers. has horse Thrice, in the 5th race today. Entered horse on Friday with the knowledge that the horse was a thirty day without a race or workout. Was permitted to work on Saturday before program goes to print. Did work at Thistledown in Cleveland Ohio. Did not make time according to the clockers in Ohio. Race Office here informed us that the workouts from the past three days at Thistledown were not available on Equibase. The Stewards in Ohio stated they were having some issues with workouts. Mr. Meyers submitted a scratch for the horse due to off turf. We informed Mr. Meyers he would be allowed out of the race as it had been removed from the turf but he may still be in violation of entering an ineligible horse. We would discuss.

No rider available for Rock River in the 3rd race, is a Stewards scratch.

Trainer Dan Wills attended and submitted a scratch for the horse Rebellions Dream in the 7<sup>th</sup> race. Horse lost a hind shoe overnight and is very hard to have shod. The Veterinarian has to give him some sedative to shoe. Spoke with Dr. Crawford who confirmed the status of the horse to be shod. Horse was a Steward scratch
