Film Reviews:

Race 2, November 22, 2019. Leo Salles, I Driedger as rep. Urging, using crop in the cocked position when making contact with his mount. Mr. Salles iterated that the horse is difficult to ride and lugs out and was trying to stay in his position as the horse drifted, has a funny bit in its mouth. Stated he made a mistake. We said that as a rider you are to steer your horse with the reins and encourage forward momentum with the crop and use it in the manner of which the rules provide for. Third offense this year for urging, 3 day riding suspension and a \$500.00 monetary penalty. days to be determined.
