Backstretch:

Trainer Mike Mattine called to say he forgot to enter with blinkers and would ask that we allow him to put them on. We advised that any equipment change must be done at time of entry and unless we could verify it was for safety reasons, we will not allow the change.

Spoke to the riders about Interference rules and reminded them we are still a category two jurisdiction. Advised they should look out for one another, especially with the big fields and short races.

Justin said he had Hernandez on his inside and the two were pressuring him all around the turn, yelled but they kept up the pressure. Luis said he left plenty of room to his inside and Steve was of the same opinion. We also spoke with Hernandez who explained it got tight but wasn’t sure who created the pressure.
