R3-Rider of #4 Salles called after we went official to review his horses run from the gate. His horse was in tight corners and takes a bad step. Maiden two year olds. Spoke to the rider of #5 Moran who thought he was clear and the other horse may have been trying to rush up. Film inconclusive

R4-Reviewed stretch run #11 (11th) tiring between horses seems to bounce off the horses around him as he takes back. Spoke to the rider of #11 who said his horse was fading and struggling with the footing.

R5-Spoke to #2 Luis Contreras to watch going high with his right hand, not in violation but needs to exercise restraint.

R6-Reviewed stretch run. Got tight in the stretch for the #3 and the #8. #3 appeared to fade and ease out. Spoke to the rider of #8 Wilson who said she never stopped riding and has no effect on her.

R7-Reviewed the run into the first turn, It appears the #1 Stein steps out a bit going into the turn as the #3 Salles is trying to drive thru between the #1 and #4 Moran. They are at the back of the pack. Spoke to Moran and Salles. Cautioned Salles about going hard as they go into that tight turn, No effect on the top 4 finishers.
