Race 6 – Stewards Inquiry and Jockey Claim of Foul (COF) by Melanie Pinto aboard #1

“Seaquelle” against #5 “Our Souper Love” ridden by Leo Salles and #6 “Mohaymen Day” with Olaf Hernandez for interference during the run down the backstretch. Melanie said they both knew I was in there and they just came over on top of me, had to check hard, Leo did not help to keep the outside horse from coming in. Olaf said he was in front and had a length to a length and a half on the inside horses, don’t know why she was yelling. Leo said the outside horse came over and bumped him into the inside horse. After review, #6 was disqualified from second and placed fourth behind #1. The COF was upheld. After the race was official, it was realized the doors of the #7 “Brienne of Tarth” with Christopher Husbands opened early. The horse finished fifth and was placed sixth, which turns out to be last.

Race 7 – Review of the run down the backstretch #7 “Wonnefrac” with Olaf Hernandez is ridden into the path of the #6 “Glitter Mountain” with Devon Johnson. Spoke with Devon following the race and he said there was no reason for Olaf to move over into my path, bumped my horse hard. “Wonnefrac” was last so no action was taken, however, there will be a review with Mr. Hernandez tomorrow.
