Back Office

Spoke to Ryan Holliday about an incident in the schoolers that was reported to us. It was reported to us that he had urged a horse inappropriately . After discussing the issue with the commission vet and Ryan no action is being taken. The judges were not satisfied that he was at fault as there were three individuals in that schooling race with Holidays colours.

Spoke to Brett Macdonald regarding a complaint we had from Clinton R3 and his drive on "Wings of Ballykeel" The horse was favorite and finished 5th. He said the horse raced off Lasix and had no "pop" to her that she wouldn't go at all. She raced last night at Grand River on Lasix and was much better finishing 4th in a better time. We will continue to monitor this horse

Spoke to several drivers and informed them that their outstanding fines are to be paid by next weekend or they would be suspended

Two horses of Trainer Jeffery Williamson R3 #1 Captain Godro and R4 #6 Wheres No No were involved in a trailer accident enroute to the track. The vet at the track examined them #6 Wheres No No is a vet scratch lame and the other horse is a transportation scratch. Both horses were going to Guelph for examination.

Races

R1- Delay Starting gate wings would not open. The horses were sent back to the paddock. Delay of 25 minutes to get back up gate and test it out
Inquiry at the start. Issues with the horn and speaker in the back up gate, spoke to the horsemen's rep Ryan Holiday who was ok with us continuing. Lights came on briefly at the start because the starter was unfamiliar with the back up. The Inquiry was posted and we spoke to the drivers who felt it was a fair start. An announcement was made acknowledging the lights on briefly and after talking to the drivers it was determined a fair start.
