### Backstretch:

Spoke to Daryl Ezra about filming in the backstretch. He says he films all his horse's workouts every day.

Assistant Starter and Jockeys Greg G. Watson licenses declared invalid as he is no longer working in those capacities. Ruling issues

Security was in with trainer Jerry Tillis as he was having an issues with a former groom. We discussed several options with them. The groom has been given to July 10 to find another job by track management.

A Steward Scratch was given to Apple of His Eye for trainer Dan Wills. The horse got loose last night and was put into the wrong stall and Dan was reluctant to start the horse because of the possibility of getting into medicated feed.

### Film Reviews:

Film review was held after the last race last Tuesday with riders Krista Carigan, Skye Chernetz and Jeffrey Alderson. There were two claims of foul lodged against Alderson the winner. Films showed him as holding his ground and the claims of foul were disallowed. The horse ridden by Sky Chernetz was a first time starter and was rank. She indicated that she was in trouble, her horse caused interference to the #1 ridden by Carigan and as a result we had placed the horse ridden by Chernetz from 2nd to 5th. No penalty was applied to Skye Chernetz as it was deemed

the horse was at fault.
