(Accidents, claims, fines and/or suspensions, objections and/or disqualifications, refunds and any other pertinent incidents)

We held a paddock meeting this evening to review Standardbred rules 6.54.01 and 6.54.02 which come into effect on January 1st. These rules relate to the "Out of Competition Testing" of horses after a qualifier.

This testing will be looking for any Analgesic, Corticosteroid, Anti-inflammatory, NSAID or local anesthetic. Also, substances that belong to the classes of drug that do not have an elimination guideline.

As a reminder, horses qualifying to come off the long-term vet's list will continue to be tested, as they have been since June.
