Office:

Trainer Michael Mattine attended about his horse "Causes Trouble" who is entered to run in the second race tomorrow. Horse was on the vet's list but due to a glitch in the system it shows him coming off the list on June 2, 2022, so it was not picked up until late. Mike was under the impression the horse was off the list.

Film Reviews:

Races:

Race 1 – #1 "Bokermín" trained by Denyse McClachrie was late to the paddock, arriving at fourteen minutes to post. Spoke with Denyse who said her barn is #2 and quite far away. Ms. McClachrie was issued a monetary penalty of \$100.00 for not having her horse in the paddock at the designated time. AGCO rule: 11.01 - Race clear

Race 2 – Clear

Race 3 – Steward's Inquiry into the run down the backstretch involving #1 "Exceed" with Justin Stein, #2 "Passthepuddingleaz" with Leo Salles and #3 "I'm a Chi Too" ridden by Slade Jones.

Justin said the two horses directly to his outside came down on top of him, bouncing him off the fence, not sure which one is at fault. Leo said the three horse came over pushing him into the horse inside, couldn't help him, I was forced in. Slade said he felt the #6 horse pressured him and caused him to move over into the horses inside him. After review, #3 was disqualified from fourth and placed fifth. Slade does move in and interfere with the inside horses and does not have any pressure causing him to do so. Review slated for tomorrow.
