Races:

Just prior to the first race we received a call from the Lasix tech that they were unable to provide Lasix to the horse "Perfect Perfection" slated to compete in today's eighth race. Horse is trained by Darren Glennon who was issued a monetary penalty of \$300.00.

Race 1 – Power surge after the horses were released from the gate knocking out power to both the main building and backstretch. Returned to normal after a short period of time, race clear.

Race 2 – Clear

Race 3 – Clear

Race 4 – Clear

Race 5 – Jockey Claim of Foul (COF) by Sunny Singh aboard #8 “Boxer Brief” against #3 “Ante Up Alex” ridden by Josh Scott for interference at the eighth pole. Josh said Sunny’s horse came in on him first and my horse resisted, thought it was a pretty clean race. Sunny said after reviewing the replay now realizes his horse initiated the contact, didn’t think so at the time. COF was disallowed.
