Film Reviews:

Review of yesterdays fourth race with Emma Wilson, Gary Boulanger and Guild Rep Larry Attard. Gary said he was inside Emma going into the turn, yelled to let her know but she came over on me and I had to check hard, hit the fence. Emma said she had no other choice because she was just off heels of the horse in front of her, said if she takes back she would be in the same position as Gary. Gary said if Emma was to ease straight back then she wouldn't have taken his room and they both would have been ok. Emma was not in agreement. After consultation, a riding suspension of three days was levied to Emma, days to be determined.

Races:

anyone. After review, the COF was disallowed. New Track Record for four and one half furlongs in 50:94
