Film Reviews:

Review of the seventh race on Monday September 5, 2022, with Nicolle Hein, Rafael Hernandez and JBAC Manager Daren Gomez. Rafael said he was to her inside from the start and after turning up the backstretch was going to take back and go to Nicole's outside. I saw her look then she came over and I caught her heels, needed to give me extra room, had to check and she only beat me a length for the win. Nicole said she looked and thought she was clear, my horse is missing an eye on the outside and I wanted to get him to the fence. After review, Ms. Hein is issued a three day suspension, days to be determined.

Trainer Tedston Holder attended the Stand after race one to review the seventh race from Monday September 5, 2022. Said he could see where Hernandez's horse caught his horses heels and now better understands why his horse came home without a hind shoe.

Three day suspension to Jockey Declan for interference on September 3, race 6 to be served September 22, 23 & 24, 2022

Trainer Nigel Burke attended the Stand after race to review the fourth race on September 3,

2022, in which his horse Rockcrest was disqualified from third and placed seventh for interference going into the far turn.
