Report on day's events:

(Accidents, claims, fines and/or suspensions, objections and/or disqualifications, refunds and any other pertinent incidents)

OFFICE

- Andrew Van't Wout training this evening.

RACES

Race 1 – Spoke to LP Roy regarding his drive on #4 Craft Made, the 4-5 favourite. Mr. Roy stated he intended to pull first-over going to the 3/4s, but as he began to move out the horse put in a few rough steps, so he elected to move back to the rail and put the horse on a helmet in hopes to keep him trotting. Since the horse has come back as a 3YO, Mr. Roy has been training him in the morning at Mohawk and he has been constantly making breaks on him and having issues around the far turn. He felt at that point if he moved out and asked him the horse would have made a break in stride. The video supports Mr. Roy's explanation, as the apex video shows Roy begins moving off the rail and the horse gets rough on him, which is when moves back to the rail. The horse closed between rivals to finish 3rd.

Race 2 – #7 Vallee Doree (LP Roy) finished 6th placed 8th for an extended break.

Race 3 – All Clear

Race 4 – Reviewed pylons on #8 Smashin Racquets (James Macdonald) in the stretch, finished 1st – horse hits multiple pylons but does not race inside the pylons.

Race 5 – Inquiry – Reviewed pylons on #6 Moonlit Affair (LP Roy) around the final turn, finished 1st – the low pan video shows #6 races inside three consecutive pylons at two different points on the turn. #6 finished 1st placed 9th for a pylon violation.

- Inquiry Video: <https://youtu.be/uxZ1TsQ7QFs>

Race 6 – There was a 20-minute delay before Race 6 due to a failure with the Grandstand lights. Race All Clear.

Race 7 – All Clear

Race 8 – All Clear

Race 9 – Inquiry – Reviewed the breaks by #2 Awsome Paul (Scott Young) and #3 Illusional (Chris Christoforou) before the start. Christoforou stated his horse got bothered when #2 broke as the gate hit his horse and caused him to break. The back tower confirmed that #2 made a break and ran into the gate, which caused it to shake and interfere with #3. #3 was charted with an interference break and refunded for interference before the start. Refund \$24,401.
